

WOODLAND TOWNSHIP 2026 DUST CONTROL

Dust control will be available to Woodland township residents to be applied approximately last week of May or first part of June, weather permitting.

Cost of dust control is **\$77 per 100 feet** (in 50 foot increments) which is to be paid by the requesting individual. If interested in dust control, complete the form below, mail with full payment by **May 1, 2026**. Blue flags to mark the dust control area may be picked up anytime in the entryway at the township hall. Please mail payment to Woodland Township, 9065 Clementa AVE SW, Montrose, MN 55363.

Please be as accurate as possible with measurement. Woodland will use foot measurement using the GPS/radar on application truck not the distance between stakes. The feet you pay for is the measurement the truck will use.

Any questions call 763-225-1790 (township hall) or 763-312-0632 (clerk).

Return with payment to

Woodland Township
